On 12 Sep 08 at approximately 0830 hrs, R/Sgt spoke to complainant [REDACTED] stated in summary that from her fifth floor apartment window of [REDACTED] she observed an unknown officer operating a marked Chicago Police vehicle being approached by an unknown female who had been "thrown" out of another vehicle. [REDACTED] further stated that this unknown officer got out of the car to assist this unknown female, but would not let her into the police vehicle. [REDACTED] stated that she did not see the vehicle number, beat tag, or officer and would not be able to identify the unknown officer. [REDACTED] also stated that she had no information whatsoever on the alleged victim other than [REDACTED]. [REDACTED] further stated that based upon the fact that she could not assist in the investigation, she would not sign an affidavit form. In addition, R/Sgt conducted a Data Warehouse search for any service calls occurring on Beat 134, which encompasses the address of occurrence, on 28 Aug 08 from 0200 hrs through 0459 hrs which shows no calls for service during the time frame given by the complainant. A further search of case reports revealed RD.#HP539107 a Strong Arm Robbery which occurred on 28 Aug 08 at 0430 hrs at 2200 S. State with a listed victim of [REDACTED]. This report was completed on 28 Aug 08 at 0545 hours by Beat 513. Nowhere in this case report is it mentioned that any police officers were on the scene of the incident. In addition, R/Sgt contacted the Records Section of the Internal Affairs Section, who related that there were no additional complaints filed in regards to this alleged incident. R/Sgt attempted to contact [REDACTED] at the phone number listed on the case report and spoke with a [REDACTED] who provided R/Sgt with a contact number for [REDACTED]. R/Sgt called this additional number and left a voicemail message with all pertinent information. On 07 Oct 08, after receiving no return phone call from [REDACTED], R/Sgt completed a complainant letter and sent it via Certified Mail [REDACTED]. The certified letter was delivered and signed for by [REDACTED] on 21 Oct 08 at 1223 hrs. As of today's date, R/Sgt has not received a return phone call from [REDACTED] regarding this alleged incident. Without the complainant's or alleged victim's assistance, R/Sgt is unable to proceed with this investigation. In an attempt to identify the officer involved, R/Sgt conducted a review of the Daily Worksheets (Att. #5). The only officer who matched the description of a male black working 10-99 was beat 132 who, at the time of occurrence (according to the PCAD printout Att. #6), assigned to the mayor's house relief and therefore, could not have been at the address of occurrence.
